4th Annual Library Crawl Fun in October!

Similar to a pub crawl, a library crawl includes visiting multiple participating public libraries. The 4th Annual Library Crawl, organized by the public libraries of Illinois Heartland Library System, is scheduled for the period of October 1-31.

Reciprocal Borrowing:

The crawl is a fun way to visit other libraries of the IHLS service area and enjoy the many benefits of having a library card—which allows you to not only visit those other libraries but also check out their materials too! That's right, check out a book from a participating library and

return it to your home library. We take care of the rest!

How it works:

Patrons will get a passport stamp at each library they visit to put in their Library Crawl passport. Some patrons have actually tried to visit every library in the crawl! To join the fun, stop by the library first to pick up your library passport of all the participating libraries. Be sure to get your passport stamped at each library—some offer prizes!

October is *National Family History Month*. This is a great opportunity to talk about family history and make sure your family story is being preserved. Sometimes in genealogy you hit a "brick wall" which can be quite frustrating. Perhaps you have an ancestor who seemingly refuses, despite repeated attempts, to reveal their origins. No matter how hard a family historian tries, they are unable to move past this ancestor. In this presentation, presented by the Clark County Historical Society we'll discuss the most common kinds of brick walls and offer some tricks and alternative sources for breaking them down. Learn more on **Thursday, October 6th at 6:30 PM** in the library's Dale McConchie meeting room. Registration is recommended but not required for this free program.
